

# Russell Bedford Tax Services Group

# Russell Bedford

## Global reach

It used to be that only the largest firms could provide your enterprise with expert global, cross-border, or local tax compliance and planning services. Now there is an alternative.

Russell Bedford International, a network of independent accounting and business advisory firms spanning more than 70 countries, has formed a consortium of its top CPA/CA firms in North America. We call it the Russell Bedford Tax Services Group.

Since Russell Bedford boasts an elite membership of world-class firms, we have instant access to valuable insights, resources, and best practices for business and taxation around the globe. Through our own firms in the US and Canada, we offer clients an intense day-to-day working knowledge of the multi-jurisdictional tax planning and compliance regulations that affect their business operations and investments on a global, national and local level.

Global tax industry  
experience  
and skill set ...

## Local presence

With offices in key cities, the Tax Services Group provides clients with the most sophisticated expertise available, delivered with the highest professional standards. Our partners and senior managers bring with them impressive qualifications, unique skills, strategic orientation, and masterful technical knowledge, gained in some of the largest multi-national CPA/CA and business advisory firms.

Yet our smaller individual size, local presence and operations, and flexible networked structure ensure that every client gets the high touch, nimble, customized service of a small boutique firm with the superior technical prowess of a global leader.

Supreme responsiveness.

Competitive fees ...

## Value proposition

As smaller independents 'acting locally' in our own markets, we are able to operate at lower overhead and with the enhanced efficiency our close working relationship promotes. By pooling resources and expertise, we can undertake tax work at any level of complexity, yet offer our clients a beneficial pricing structure.

Our goal? To ensure that the quality of our service and solutions are more than outstanding and our fees a pleasant surprise. . . a value proposition.

## Attention, not attitude

Russell Bedford Tax Services Group clients have one-on-one access to top decision makers on every engagement. With such responsive personal service, swift turn around is assured, along with the consistent follow-through you require on every tax-related request.

## Power to the edge

Network-centric organizations like Russell Bedford International will dominate the 21st century. Let our Tax Services Group apply the power of our network to your tax advisory needs and requirements – globally – and locally.

World class tax services for domestic  
and international clients ...

Russell Bedford Tax Services Group is a consortium of independent CPA/CA firms offering tax consulting and compliance services for corporations, partnerships, LLCs and their executives, related to international, federal, state and local tax matters. Located throughout the US and Canada, each firm is an independent member of Russell Bedford International, a global network of firms of accountants, auditors, tax advisers and business consultants.

“Russell Bedford” and “Russell Bedford International” are registered trade marks. Member firms contribute to the cost of managing and marketing the network and they use the Russell Bedford name under licence.

All services are provided independently by member firms of Russell Bedford International, and each member is solely responsible for its work on behalf of clients.

To ensure compliance with requirements imposed by the United States Internal Revenue Service (IRS), we hereby inform you that any advice contained in this communication (including any attachments) is not intended or written to be used, and cannot be used, for the purpose of (i) avoiding penalties under the Internal Revenue Code or (ii) promoting, marketing or recommending to another party any transaction or matter addressed herein.
